

Cultivating diversity for resilient and inclusive communities

Press Release - Capacity building on Community Seed Banks, Climate Change and Resilience

10/01/2024

The DiverSeedPaths project is proud to invite you to an online capacity-building session on Community Seed Banks, climate change and resilience, which will take place **online on Monday, 27 January 2025 from 09:30-16:00 (CET)**.

The session led by the **European Coordination Let's Liberate Diversity and Aegilops**, will take place from 2.30 to 4.00 and will cover **Community Seed Bank collection, Dynamic Management and Exchange**.

Additional sessions during the day, provided by the LiveSeeding Project, will be available to participants. These include:

- Public and institutional seedbanks: PGRs collection, conservation and exchange
- Prebreeding: from genetic resources characterisation to their use in breeding programmes

The session aims to build participants' capacity to manage Community Seed Banks, promote seed diversity, and strengthen agricultural resilience to climate change through dynamic seed management practices. You can register for the session through this link:
