

September 4th - 6th 2025

14th

LET'S LIBERATE
DIVERSITY!

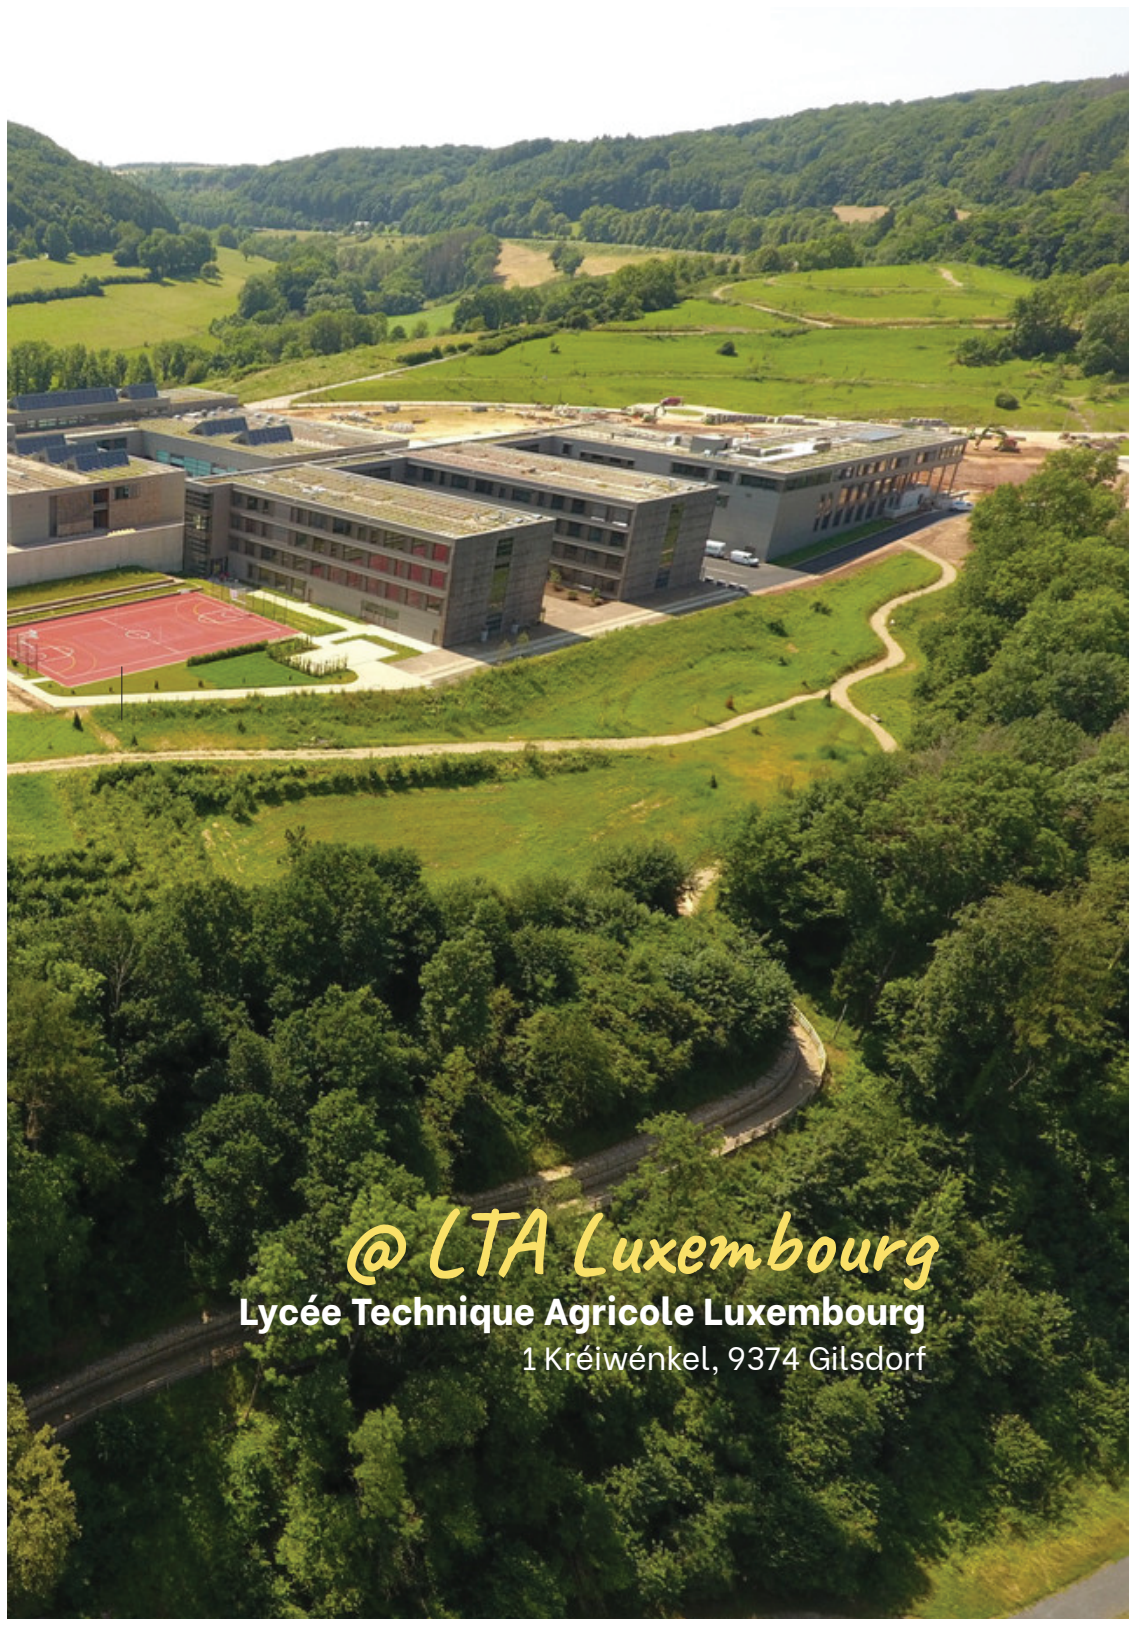

Forum

FARM to FORK
SEED to PLATE

Regional seeds and varieties
for the future of our food

[full program]

The forum will be held in English, French, and German

@ LTA Luxembourg

Lycée Technique Agricole Luxembourg

1 Kréiwénkel, 9374 Gilsdorf

3

SEPTEMBER

EC-LLD General assembly
(reserved for *Let's Liberate Diversity!* members)

4

SEPTEMBER

Day 1

08:00 - 08:45

Forum registration at the LTA

09:00 - 09:30

Forum opening & plenary

09:45-11:15 // Workshop session 1

Workshop 1

EU seed law reform: How to support small seed producers' large contribution to cultivated biodiversity?

Arche Noah, DKNV

Workshop 2

The UN Declaration of the Rights of Peasants (UNDROP): how to realise the right to seeds in seed policies?

Geneva Academy of International Humanitarian Law and Human Rights, European Coordination Via Campesina, Kybele

Workshop 3

Don't waste your efforts! How to foster technical seed quality?

ITAB, LiveSeeding, Réseau Semences Paysannes

11:45-13:15 // Workshop session 2

- Workshop 4** **Seeds and Sovereignty: What's Happening in Global Policy?**
ECLLD!, ProSpecieRara
- Workshop 5** **Seed Health, Plant Health**
Réseau Semences Paysannes, DKNV
- Workshop 6** **Local Food Policies for Cultivated Biodiversity: From Vision to Action**
Red de Municipios por la Agroecología, KVANN - Norwegian Seed Savers, Réseau Semences Paysannes, LiveSeeding, ECLLD!

14:45-16:15 // Workshop session 3

- Workshop 7** **From Grassroots to Policy: Strengthening Global Farmers Seed Networks**
ECLLD!, Farmers Seed Networks China, Seeds 4 All Oxfam Novib, Seed Library Network
- Workshop 8** **Climate resilience and pesticide reduction through organic breeding**
ECO - PB, InnObreed, LiveSeeding, Garden Organic
- Workshop 9** **Our daily bread – Cereal genetic diversity**
Azienda Agricola BIO Floriddia, Rete Semi Rurali and François Kieffer

16:45-18:15 // Workshop session 4

Workshop 10

Territorial dynamics in Wallonia, Luxembourg and Grand Est

Lycée Technique Agricole, Meuse-Rhine-Moselle Network

Workshop 11

NGTs: State of the Art

IG Saatgut, No patents on seeds!, ECO - PB

Workshop 12

Variety development and Utilisation Strategies of old fruit tree cultivars

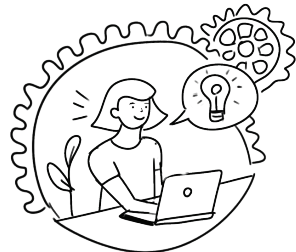

Pomologen Verein E.V.

18:15 - 19:00 > Plenary Session
and Key Takeaways

5

SEPTEMBER

Day 2

09:00-10:30 // Workshop session 5

Workshop 13

From seed savers to diversity developers: towards a new narrative

Meuse-Rhine-Moselle Network, SEED, DKNV

Workshop 14

Recent Developments in Patents and Plant Variety Protection

Inf'OGM, ProSpecieRara, Nordic Maize Breeding

Workshop 15

Evolutionary populations: a paradigm shift in seed systems within a climate change context

The Gaia Foundation - Seed Sovereignty Programme, Maison des Semences Paysannes Maralpines, Experimental Farm Network

11:00-12:30 // Workshop session 6

Workshop 16

Seed Diversity Down to Earth

Seeds 4 All, Walloon Agricultural Research Centre

Workshop 17

Gene bank conservation vs. ecosystemic evolution

Maadjas, Samenbau Nordost Kooperative, SEED, AppleOak FibreWorks

Workshop 18

**Propagation of wild plants for natural green-
ing and renaturation in Luxembourg**

SICONA Wëllplanzesom Lëtzebuerg

12:30 - 13:30 > Plenary Session
and Key Takeaways

15:00 - 18:00

- Diversity market
- Tasting Experience:
Pasta, Beans, and Beer from Local Varieties
- “Symbiotic seed” a workshop by Sina Ribak

18:00 - 20:00 // Conference

“Patent Rights versus Biodiversity”
+ Finger food

SEED, EC-LLD!, ITAB, Arche Noah, Rete Semi Rurali, Geneva Academy of International Humanitarian Law and Human Rights

21:00 > Concert!

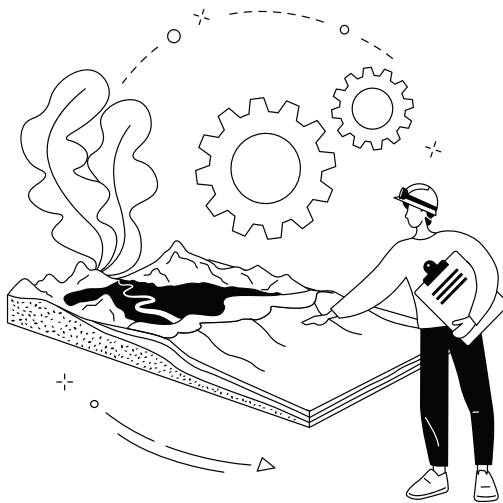

6

SEPTEMBER

Day 3

08:30 - 13:00 // *Field Visits*

- *Vegetable seed production at the LTA,*
- *André Zewen's Farm*
- *LUGA Ettelbruck*

The forum will be held in English, French, and German
