LLAVORS D'ACÍ

Who we are?

The **Llavors d'Ací Association** works for the protection, recovery, and promotion of traditional agricultural biodiversity and food sovereignty in the Valencian Community.

Llavors d'Ací is dedicated to **preserving the environmental and cultural heritage of the Valencian countryside**

Photo by Javi Galindo.Traditional

Who we are?

Since 2007 (almost 20 years)
Around 300 affiliates
Professionals and amateurs

Photo: At Rubén's Alqueria

What do we do?

Recovery and conservation of ancient seeds

Seed banks of local varieties

Network for exchanging open-pollinated seeds

Preservation of traditional knowledge

Training and practical workshops

Publishing technical guides and educational resources

Training is key

What do we do?

LLAVORS VIVES I LLIURES + MICROPÍNDOLES FORMATIVES

Workshops | Education programms

What do we do?

We search, conserve, multiply and share

Seed exchange

Entry doc & passport

Genebank

Let's start again!

Conferences and Trade Fairs

These events are key for knowledge sharing and seed exchange

Post-Climate Catastrophe Actions

At Llavors d'Ací, we have produced various publications, but one of the most important was the one we released after the 2024 Valencia floods: a guide to help farmers restore their crops.

What about food sovereignty?

Thank you very much for your attention!

Thank you for your attention!
